MAKING DISCIPLES · PLANTING CHURCHES · REACHING NATIONS

## Tell the Good News With Us!

Thank you for your prayers, friendship, and financial partnership as we  
 “Go into all the world and tell the good news to everyone” Mark 16:15

We were in the park when we met Jose Antonio (the man in the wheelchair). It was obvious he was in need, and I fully expected him to get healed as I asked him where he needed healing...

I prayed for his broken spine...

Then for his legs...

Then for the arthritis in his hands.

“Rise up and walk” I boldly proclaimed as I finished praying.

Instead he responded, “I’m a Christian, give me some money to pay for my doctor’s bills so I can have eye surgery”.

“What? I just prayed for you, I’ll pray for your eyes now” I exclaimed.

No, he didn’t get healed. I had the faith for his healing, but he seemed pretty content in the wheelchair begging for money.

### Here’s what else is happening this month:

- Misión Global continues to make it possible for Mexicans to not only go, but to send missionaries to unreached Nations.
- We are holding Biblical storytelling groups every Monday night. Josh Britnell is doing a wonderful job teaching everyone how to go out and retell the stories of the Bible.
- Our English-speaking disciple making group continues to meet weekly and tell the good news in parks and public places. Everyone in our group is encouraged to start new groups.
- Our one discipleship group is now two groups. We have meetings on Thursday and Saturday nights, one in Spanish and one in English.

### Reaching Unreached Nations

“One of the main things God is speaking to me about is the need to reach people who have never had the opportunity to hear the Good news”.

That’s why **On May 5th, Andre Provost and I will make a one month trip to Thailand and Vietnam.** In addition to telling the good news and facilitating house churches we also hope to pave a pathway for future Globe missionaries to go to these ripe harvest fields in unreached Nations.

**Thank you for helping to make all this possible.**

We live to do God’s will as we tell the Good News in all Nations. We can’t do this alone.

**Thank you for your faithful partnership.**
