

"Determined To Win" Storytelling Group Format

*"You can have everything in life you want, if you will just **help** other people get what they want."*

You can be a winner. Gain life purpose and significance by sharing everything you learn with your family and friends and teach them to do likewise.

Checkup (for second meeting)

- "How have you applied what you learned to your life?"
- Who have you shared what you have learned with?

Read or listen to a Story

- Read and/or listen to a life enriching story taken from the world's best selling book of all time.
- Retell the story in your words.

Discuss what you learned from the story and how you can apply it to your life.

Be challenged to put what you learn into practice:

1. What do you like about the story?
2. What do you find difficult about the story?
3. What does this story tell me I ought to do?

Obedience

Make commitments and write them down.

4. How can I obey or put into practice what I've learned
5. Who am I going to tell what I've learned?

Accountability

Everyone is responsible to obey by sharing what you have been taught with more family and friends.
